

DEFERRAL REQUEST

We remain committed to delivering an outstanding academic experience, no matter if you're in Canada or abroad. Our teams are working on plans for an excellent academic year that includes challenging courses and hands-on learning to help you achieve your educational goals. If circumstances prevent you from beginning your studies on the start date specified in your letter of acceptance, you may request a deferral to a future intake.

Please note:

- (i) By requesting a deferral of the listed application, your current application will be automatically cancelled for the intake listed below.
- (ii) The admissions team will review your deferral request and contact you as soon as possible.
- (iii) Once your application has been considered we will communicate the decision to you via e-mail.
- (iv) Applicants who are granted a deferral will receive a new letter of acceptance, provided that all admission requirements are fulfilled.
- (v) Applicants may defer their admission up to a maximum of three (3) times.
